

KURZ Jewellery - Paradise Gemstones

This luxurious sautoir necklace in 18-karat yellow gold measures 90 cm in length and is adorned with 11 white freshwater cultured pearls and 4 briolette-cut blue topazes, 4 London blue topazes, 4 prasiolites and 4 violet amethysts, which add colour and sparkle to the necklace.

This is a jewel with coloured gemstones from natural resources. The properties of the coloured gemstones may vary from this model and are subject to availability.
